HAVE A GREAT SUMMER!!

FAREWELL FESTIVITIES

Thursday, June 15th

In keeping with tradition at Village, we will recognize the accomplishments of our 4th grade students at the awards presentation on **June 15th at 10:30am**. As always, parents are invited and encouraged to attend. Following the awards presentation, we will have a good-bye "clap-out" for our 4th grade.

4th grade: We will begin with Mrs. Dennis's class walking east to the front hallway, proceeding around the building in a full rotation around the inside of the building while everyone claps for the 4th graders. We invite and encourage parents to join us in this exciting event.

In this time of transition for our 4th graders, we are saddened to lose the many families who have been part of the Village family. We are excited for the new beginnings and opportunities that await them all. Best wishes to our wonderful 4th graders, we know you will all do well.

Avoid the 'SUMMER SLIDE'!

We often think of playing on slides as a fun summer activity, at our **Reading Assembly on June 6** our students learned about a 'Summer Slide' that they DON'T want to play on! We are talking about the 'Reading Summer Slide' where student's who do not keep up their habit of daily reading through the summer months often regress in their reading skills. This year we are giving **ALL Village students a 'Summer Reading Challenge'** where we are asking all students to read **100 Times** over the summer and bring back their chart checked off for a special reading prize from their new teacher in the fall. Charts will be going home in their Friday Folders. We encourage you and your child to take this summer reading challenge and avoid the summer slide! Please email a picture of your child reading in their favorite place over the summer to rachaelwright@hartlandschools.us. We will be creating a slide show for our fall reading assembly.

Save the Date:
