GRASP

The Hartland Schools has made arrangements to acquire the GRASP (Grand Rapids Academic Summer Programs) program for you this summer. GRASP is a 9 week correspondence program in grades K-8 which helps students maintain reading and math skills while they are on summer vacation. It should take you and your child approximately one hour per week to complete each weekly lesson. GRASP has been re-written. The level of difficulty has increased and it is grade appropriate. We suggest parents order the grade level just completed. Lessons are completed, mailed to a scoring center where they are analyzed and returned to you. Instruction sheets found in each packet provide all the necessary information. The enrollment fee is \$38.00 for one subject, and \$63.00 for both.

For an enrollment form go to:

www.grpublicschools.org/GRASP.

Pennies for Paws

Thank you Village families for your donations to support the Pennies for Paws drive. We raised \$287.77 which allows Village Elementary to adopt 5 animals from the Howell Nature Center. The students decided to adopt the following animals:

White-tailed deer
Wild turkey
Barn Owl
Mink

Be sure to look for the new adoption pictures on the bulletin board in the front of the school. A big thank you from Mrs. Thering's class & the Howell Nature Center for your donations.
