Explore your world...

**\*Children participating or coming to view exhibits must attend with an adult.**

## Hartland Strong for Mott Fundraiser March 22, 2018

Village and Lakes Elementary Schools are teaming up for their first ever Hartland Strong for Mott Campaign. Village will be participating in an obstacle course as a way to fundraise for the Little Victors at the University of Michigan's C.S. Mott Children's Hospital.

- **Our students will collect pledges and participate in an obstacle course to raise money**
- **Students that bring in any donation will receive a bracelet**
- **Students that donate \$50.00 or more will receive a t-shirt**
- **Top fundraising student from each class will participate in the pie throwing contest**
- **Top fundraising class will receive a pizza party**

## Kindergarten Enrollment 2018-2019

Registration is being accepted at each of the elementary buildings and the Board of Education office. Please bring original birth certificate, proof of residency, immunizations and vision screening with you.

Registration Packets are available in the Village Office.

**\*Enroll early to ensure placement in your school of residency.**

### **LOST AND FOUND WILL BE DONATED**

We have numerous items in our lost and found located in the cafeteria. Please check to see if any belong to your children by March 22nd.

We will be donating the remaining items to the Salvation Army on March 23rd.

### **BUILDING SECURITY**

In light of some of the events going on nationally, we want to remind you that our school and Hartland Schools take our building security very seriously and we have many protocols in place on a daily basis to ensure your child's safety at school. In addition to coordinated work with our local law enforcement agencies at the county and district level, we have trained our staff and practice with our students what to do in the event of a building lock down (we do this several times per year in pre-planned lock down drills). We work to make these practices developmentally appropriate for our students, while really focusing with our staff on appropriate responses in a variety of situations. We have a district security director who provides annual training for our staff and regularly works with staff on proper protocol in emergency situations.

We are asking our parents to support our efforts by making sure you sign in at the office whenever you are in our building and **wear your visitor badge so it is visible to staff** (who may ask you for it). We also ask that you refrain from walking in the building without first checking into the office (at the beginning and end of the day specifically). If you drop your child off in the morning, please do not go beyond the cafeteria doors into the building without checking into the office first. Our students are all capable of walking to class independently at this time of the year and we encourage you to foster this independence in your child by not accompanying them to their locker unless there is a specific reason to do so (and then check into the office). If you are volunteering in our school (and we LOVE classroom volunteers) please make sure you check into the office.

We are working hard to provide a stress free and friendly learning environment for our students while at the same time taking all appropriate measures to ensure the safety of our students and staff. Thank you for your cooperation in these efforts and if you have any questions or concerns please feel free to contact Mrs. Day. She would be more than happy to discuss this very important matter with you!
